NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that an annual and special meeting (the “**Meeting**”) of the holders (“**Shareholders**”) of common shares (“**Common Shares**”) of Cypress Hills Resource Corp. (the “**Corporation**”) will be held at Suite 1703, 595 Burrard Street, Vancouver, British Columbia on Wednesday, June 16, 2021 at 9:30 a.m. (Vancouver time), for the following:

1. To receive and consider the audited financial statements of the Corporation for the year ended December 31, 2020 together with the auditor’s report thereon.
2. To fix the number of directors to be elected at the Meeting at five (5). See “Fixing Number of Directors” in the Circular (as defined below).
3. To elect the board of directors of the Corporation (the “**Board**”) for the ensuing year. See “Election of Directors” in the Circular.
4. To appoint Davidson & Company LLP, Chartered Professional Accountants, as auditors of the Corporation for the ensuing year, at a remuneration to be fixed by the Board. See “Appointment of Auditor” in the Circular.
5. To consider, and if thought advisable, approve, with or without variation, an ordinary resolution approving the Corporation’s stock option plan for the ensuing year. See “Approval of Stock Option Plan” in the Circular.
6. To transact such other business as may properly come before the Meeting or any adjournment(s) or postponement thereof.

The details of all matters proposed to be put before Shareholders at the Meeting are set forth in the management information circular dated May 4, 2021 prepared for the purposes of this Meeting (the “**Circular**”).

If you are unable to attend the Meeting in person we request that you date, sign and return the accompanying form of proxy (“**Proxy**”) to the Corporation’s transfer agent, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 Attention: Proxy Department, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of British Columbia) prior to the time set for the Meeting or any adjournment of the Meeting.

If you are a non-registered holder of Common Shares and have received these materials from your broker or another intermediary, please complete and return the voting instruction form or other authorization form provided to you by your broker or intermediary in accordance with the instructions provided. Failure to do so may result in your Common Shares not being eligible to be voted at the Meeting.

The Proxy confers discretionary authority with respect to: (i) amendments or variations to the matters of business to be considered at the Meeting; and (ii) other matters that may properly come before the Meeting. As of the date hereof, management of the Corporation knows of no amendments, variations or other matters to come before the Meeting other than the matters set forth in this Notice of Annual and Special Meeting. Shareholders who are planning on returning the accompanying Proxy are encouraged to review the Circular carefully before submitting the Proxy.

Registered Shareholders have a right to dissent with respect to the Continuance resolution and to be paid the fair value of their Common Shares. This dissent right and the dissent procedures are described in the Circular. The dissent procedures require that a registered Shareholder who wishes to dissent send a written notice of objection to the Continuance Resolution to the President of the Corporation, at 1900, 520 – 3rd Avenue S.W., Calgary, Alberta T2P 0R3, to be received by no later than 9:30 a.m. (Vancouver time) on the date that is two business days prior to the date of the Meeting, and must otherwise strictly comply with the dissent procedures described in the Circular. Failure

to strictly comply with the dissent procedures will result in loss of the right to dissent. See the section entitled “The Continuance under the *Business Corporations Act* (British Columbia) – Dissent Rights” in the Circular.

Persons who are beneficial owners of Common Shares registered in the name of a broker, custodian, nominee, or other intermediary who wish to dissent should be aware that only registered holders of Common Shares are entitled to dissent. Accordingly, a beneficial owner of Common Shares who desires to exercise the right of dissent must make arrangements for the Common Shares beneficially owned by such holder to be registered in the holder’s name prior to the time written objection to the Continuance resolution is required to be received by the Corporation or, alternatively, make arrangements for the registered holder of such Common Shares to dissent on the holder’s behalf.

Notice-and-Access

The details of all matters proposed to be put before Shareholders at the Meeting are set forth in the Circular. The Corporation has decided to use the notice-and-access model for delivery of meeting materials to its registered and beneficial shareholders. Under notice-and-access, Shareholders still receive a proxy or voting instruction form enabling them to vote at the Meeting. However, instead of a paper copy of the Circular, the Corporation’s annual financial statements for the year ended December 31, 2020 (“**Annual Financial Statements**”) and associated management’s discussion and analysis (“**Annual MD&A**”) and additional materials, Shareholders receive this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and also will reduce the cost of printing and mailing materials to shareholders. **SHAREHOLDERS ARE REMINDED TO REVIEW THE CIRCULAR PRIOR TO VOTING.** Shareholders with questions about notice-and-access can call the Corporation at 1-604-689-1428.

Websites Where Materials are Posted

The Circular, Annual Financial Statements, Annual MD&A and additional materials can be viewed online on the Corporation’s pages on SEDAR at www.sedar.com and at www.cypresshillsresource.com.

Obtaining Paper Copies of Materials

Shareholders may obtain paper copies of the meeting materials by postal delivery at no cost to them. Requests may be made up to one year from the date the Circular was filed on SEDAR by: (a) calling the Corporation at 1-604-689-1428; (b) mailing a request to the Corporation, Suite 1703, 595 Burrard Street, Vancouver, British Columbia V7X 1J1, Canada Attention: Corporate Secretary; or (c) sending a request to lee@earlston.ca. In order to receive the Circular, Annual Financial Statements and Annual MD&A in sufficient time to allow for review and return of the proxy by the due date, a request for paper copies should be sent so that it is received by no later than the end of business on June 5, 2020.

COVID 19

Amid ongoing concerns about the Coronavirus (COVID-19) outbreak, the Corporation remains mindful of the well-being of our Shareholders and their families, our industry partners and other stakeholders as well as the communities in which we operate. The Corporation currently intends on holding an in person Meeting and encourages Shareholders not to attend the Meeting in person but via teleconference at:

However, as COVID-19 is a rapidly evolving situation, the Corporation will continue to monitor and review provincial and federal governmental guidance in order to assess and implement measures to reduce the risk of spreading the virus at the Meeting, which may include potentially adjourning or postponing the Meeting. The Corporation will provide updates to any arrangements in respect of the Meeting by way of news release. ANNUAL AND SPECIAL MEETING OF
SHAREHOLDERS TO BE HELD ON WEDNESDAY, JUNE 16, 2021

MANAGEMENT INFORMATION CIRCULAR

GENERAL INFORMATION RESPECTING THE MEETING

Solicitation of Proxies

This management information circular (“**Circular**”) is furnished in connection with the solicitation of proxies by the management of Cypress Hills Resource Corp. (the “**Corporation**”), to be used at the annual and special meeting (the “**Meeting**”) of holders (“**Shareholders**”) of common shares (“**Common Shares**”) of the Corporation, to be held on June 16, 2021 at 9:30 a.m. (Vancouver time) at the offices of the Corporation located at Suite 1703, 595 Burrard Street, Vancouver, British Columbia V7X 1J1 or at any adjournment thereof for the purposes set out in the notice of meeting (the “**Notice of Meeting**”). References in this Circular to the Meeting include any adjournment or postponement thereof. It is expected that the solicitation will be primarily by mail; however, proxies may also be solicited by certain officers, directors and regular employees of the Corporation by telephone, electronic mail, telecopier or personally. These individuals will receive no compensation for such solicitation other than their regular fees or salaries, if any. The cost of solicitation by management will be borne directly by the Corporation.

The board of directors of the Corporation (the “**Board**”) has fixed the close of business on May 4, 2021 as the record date (the “**Record Date**”), being the date for the determination of the registered holders of Common Shares entitled to receive notice of and vote at the Meeting.

Unless otherwise stated, the information contained in this Information Circular is as of May 4, 2021. Shareholders should not construe the contents of this Information Circular as legal, tax or financial advice and should consult with their own professional advisors in considering the relevant legal, tax, financial or other matters contained in this Information Circular.

Notice-And-Access

The Canadian Securities Administrators have adopted amendments to NI 54-101, which allow for the use of the “notice-and-access” regime for the delivery of meeting materials.

Under the notice-and-access regime, reporting issuers are permitted to deliver the meeting materials by posting them on SEDAR as well as a website other than SEDAR and sending a notice package to each shareholder receiving the meeting materials under this regime. The notice package must include: (i) the relevant form of proxy or voting instruction form; (ii) basic information about the meeting and the matters to be voted on; (iii) instructions on how to obtain a paper copy of the meeting materials; and (iv) a plain-language explanation of how the notice-and-access system operates and how the meeting materials can be accessed online. Where prior consent has been obtained, a reporting issuer can send this notice package to Shareholders electronically. This notice package must be mailed to Shareholders from whom consent to electronic delivery has not been received.

The Corporation has elected to send its meeting materials to Beneficial Shareholders (as defined herein) using the notice-and-access regime. Accordingly, the Corporation will send the above-mentioned notice package to Beneficial Shareholders which includes instructions on how to access the Corporation’s meeting materials online and how to request a paper copy of these materials. Distribution of the Corporation’s meeting materials pursuant to the notice-and-access regime has the potential to substantially reduce printing and mailing costs.

Notwithstanding the notice-and-access regime, the *Business Corporations Act* (Alberta) (“**ABCA**”) requires the Corporation to deliver a paper copy of the meeting materials to a Registered Shareholder unless such shareholder provides written consent to electronic delivery. In order to ensure compliance with the ABCA, Registered Shareholders will be mailed a copy of the meeting materials this year, together with a mail card soliciting a Registered Shareholders consent to electronic delivery in future years.

COVID 19

Amid ongoing concerns about the Coronavirus (COVID-19) outbreak, the Corporation remains mindful of the well-being of our Shareholders and their families, our industry partners and other stakeholders as well as the communities in which we operate. The Corporation currently intends on holding an in person Meeting and encourages Shareholders not to attend the Meeting in person but via teleconference at:

DIAL-IN NUMBERS	CONFERENCE ID CODE
1.866.895.5510 (Toll Free North America)	2815808#
1.858.384.5500 (Outside of US and Canada)	2815808#

However, as COVID-19 is a rapidly evolving situation, the Corporation will continue to monitor and review provincial and federal governmental guidance in order to assess and implement measures to reduce the risk of spreading the virus at the Meeting, which may include potentially adjourning or postponing the Meeting. The Corporation will provide updates to any arrangements in respect of the Meeting by way of news release. Shareholders are encouraged to monitor the Corporation's website at www.cypresshillsresource.com or the Corporation's SEDAR profile at www.sedar.com, where copies of such news releases, if any, will be posted.

In light of current provincial recommendations regarding gatherings, at this time, only registered Shareholders or their duly appointed proxy holders will be allowed to attend the Meeting. In the event that the number of Shareholders attending exceeds current gathering guidelines, the Meeting, by necessity, will be rescheduled to a later date at the discretion of the Chairman of the Meeting.

In addition, in view of current and potential future guidance regarding social distancing and further restrictions on gatherings, in order to ensure as many Common Shares as possible are represented at the Meeting, Shareholders are strongly encouraged to complete the enclosed Instrument of Proxy and return it as soon as possible in the envelope provided for that purpose. Shareholders who do not hold their Common Shares in their own name are strongly encouraged to complete the voting instruction forms received from their broker as soon as possible and to follow the instructions set out under "Advice to Beneficial Shareholders" in this Circular.

Advice to Beneficial Shareholders

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to herein as "**Beneficial Shareholders**") are advised that only proxies from Shareholders of record can be recognized and voted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity.

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the Instrument of Proxy provided directly to Registered Shareholders by the Corporation. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions

respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder, should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance. All references to Shareholders in this Circular and the accompanying Instrument of Proxy and Notice of Meeting are to Shareholders of record, unless specifically stated otherwise.

Revocability of Proxy

In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered Shareholder or the registered Shareholder's authorized attorney in writing, or, if the registered Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering such proxy or notice of revocation to Computershare at the address specified above, at least 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Vancouver, in the Province British Columbia) before the Meeting or the adjournment or postponement thereof, or to the chairman of the Meeting prior to commencement of the Meeting, or
- (b) personally attending the Meeting and voting the registered Shareholder's Common Shares.

Exercise of Discretion by Proxy

All Common Shares represented at the Meeting by properly executed proxies will be voted, or withheld from voting as applicable, in accordance with the indicated specifications included therein. **In the absence of any such specifications, the persons named in the instrument of proxy (the "Management Designees"), if named as proxy, will vote in favour of all the matters set out herein.** The enclosed Instrument of Proxy confers discretionary authority upon the Management Designees, or other persons named as proxy, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. At the date of this Circular, the Corporation is not aware of any amendments to, or variations of, or other matters which may come before the Meeting. In the event that other matters come before the Meeting, then the Management Designees, if named as proxyholder, intend to vote in accordance with their best judgement.

Appointment of Proxy

Registered Shareholders may vote in person at the Meeting or they may appoint another person, who does not have to be a Shareholder, as their proxy to attend and vote in their place. **A shareholder submitting a proxy has the right to appoint a person or company to represent him or her at the Meeting other than the persons designated in the form of proxy furnished by the corporation. To exercise this right the shareholder should insert the name of the desired representative in the blank space provided in the form of proxy and strike out the other names or submit another appropriate proxy.** In order to be effective, the enclosed Instrument of Proxy must be received by Computershare Trust Company of Canada ("Computershare"): (a) by mail to Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1; or (b) by Fax at 1-866-249-7775, not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) prior to the time set for the Meeting or any adjournment(s) thereof. No instrument appointing a proxy shall be valid after the expiration of

twelve (12) months from the date of its execution. The instrument of proxy shall be in writing under the hand of the Shareholder or his attorney, or, if such Shareholder is a corporation, under its corporate seal, and executed by a director, officer or attorney thereof duly authorized.

Dissent Rights

Registered Shareholders have a right to dissent with respect to the resolution to approve the continuance of the Corporation from the Province of Alberta into the Province of British Columbia (the “**Continuance Resolution**”) and to be paid an amount equal to the fair value of their Common Shares. The dissent procedures require that a registered Shareholder who wishes to dissent send a written notice of objection to the Continuance Resolution to the President of the Corporation, at 1900, 520 – 3rd Avenue S.W., Calgary, Alberta T2P 0R3, to be received at or before the commencement of the Meeting, and must otherwise strictly comply with the dissent procedures described in this Information Circular. In the event the Continuance becomes effective, each Shareholder who properly dissents and becomes a Dissenting Shareholder will be entitled to be paid the fair value of the Common Shares in respect of which such holder dissents in accordance with Section 191 of the ABCA. Shareholders who vote in favour of the Continuance shall not be entitled to dissent.

The statutory provisions covering the right to dissent are technical and complex. Failure to strictly comply with such requirements set forth in Section 191 of the ABCA may result in the loss of any right to dissent. **A Beneficial Shareholder of Common Shares registered in the name of an intermediary who wishes to dissent should be aware that only registered Shareholders are entitled to dissent.** Accordingly, a Beneficial Shareholder desiring to exercise Dissent Rights must make arrangements for the Common Shares beneficially owned by such holder to be registered in such holder’s name prior to the time the written objection to the Continuance Resolution is required to be received by the Corporation, or alternatively, make arrangements for the registered holder of such Common Shares to dissent on such Beneficial Shareholder’s behalf. Pursuant to Section 191 of the ABCA, a Shareholder is only entitled to dissent in respect of all of the Common Shares held by such Dissenting Shareholder or on behalf of any one Beneficial Shareholder and registered in the name of the Dissenting Shareholder.

See Schedule “D” for a copy of the provisions of Section 191 of the ABCA, respectively. See also “The Continuance under the *Business Corporations Act* (British Columbia) – Dissent Rights”.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without nominal or par value and an unlimited number of preferred shares. As at the date hereof, there are 19,986,965 Common Shares issued and outstanding and no preferred shares are issued and outstanding. Each Common Share entitles the holder thereof to one (1) vote on all matters to be acted upon at the Meeting. The record date for the determination of Shareholders entitled to receive notice of the Meeting has been fixed as the close of business on May 6, 2020. Only Shareholders of record as of the Record Date are entitled either to attend and vote at the Meeting unless, after the Record Date, a registered holder transferred their Common Shares and that transferee, upon producing properly endorsed certificates evidencing such shares or otherwise establishing that they own such shares, requests, not later than 10 days before the Meeting, that the transferee’s name be included in the list of Shareholders entitled to Vote, in which case such transferee shall be entitled to vote at the Meeting.

The by-laws of the Corporation provide that the quorum for the transaction of business at any meeting of the Shareholders shall consist of at least two (2) persons present in person or by proxy, being Shareholders entitled to vote thereat or a duly appointed proxy holder or representative for a shareholder so entitled and holding or representing by proxy not less than five percent (5%) of the outstanding Common Shares entitled to vote at such meeting.

5. Approval of Stock Option Plan

Pursuant to the policies of the TSX Venture Exchange (the “**Exchange**”), listed issuers are permitted to have “rolling” stock option plans reserving a maximum of 10% of the issued shares of the Corporation at the time of the stock option grant. Pursuant to the policies of the Exchange, such stock option plans must be approved annually by the shareholders of the listed issuer.

The stock option plan of the Corporation (the “**Stock Option Plan**”) is considered to be a “rolling” stock option plan and, pursuant to the policies of the Exchange, the Stock Option Plan must be approved annually by the Shareholders. That approval is being sought at the Meeting and accordingly the Shareholders will be asked to consider and, if thought

appropriate, approve an ordinary resolution approving the Stock Option Plan for the ensuing year. A copy of the Stock Option Plan is attached to this Circular as Schedule “A”.

The Stock Option Plan provides that the Board may from time to time, in its discretion, and in accordance with Exchange requirements, grant to directors, officers, employees and technical consultants to the Corporation, non-transferable options to purchase Common Shares (“**Options**”), provided that the number of Common Shares reserved for issuance will not exceed 10% of the issued and outstanding Common Shares. Options are exercisable for a period of up to 10 years from the date of grant. The number of Common Shares reserved for issuance to any one person in any twelve month period will not exceed five percent (5%) of the issued and outstanding Common Shares unless the Corporation has obtained disinterested shareholder approval in respect of such grant and meets applicable Exchange requirements. In addition: (i) the number of Common Shares reserved for issuance to any one consultant will not exceed two percent (2%) of the issued and outstanding Common Shares; and (ii) the number of Common Shares reserved for issuance to persons providing investor relations activities will not exceed two percent (2%) of the issued and outstanding Common Shares. Options must be exercised within a reasonable period following cessation of the optionee’s position with the Corporation, provided that if the cessation was by reason of death, the Option may be exercised within a maximum period of one year after such death, subject to the expiry date of such Option.

The exercise price of the Options shall be determined by the Board, subject to applicable Exchange approval, at the time any Option is granted. In no event shall such exercise price be lower than the “Discounted Market Price” (as such term is defined in Exchange policies). Subject to any vesting restrictions imposed by the Exchange, the Board may, in its sole discretion, determine the time during which Options shall vest and the method of vesting or that no vesting restriction shall exist.

The text of the ordinary resolution which management intends to place before the Meeting for approval of the Stock Option Plan is as follows:

“**BE IT RESOLVED** as an ordinary resolution of shareholders of Cypress Hills Resource Corp. (the “**Corporation**”) that:

1. the stock option plan (the “**Stock Option Plan**”) of the Corporation, substantially in the form attached as Schedule “A” to the management information circular of the Corporation dated May 4, 2021, is hereby approved and adopted as the stock option plan of the Corporation;
2. the Stock Option Plan may be amended by the board of directors, in its sole discretion, in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval from the shareholders of the Corporation; and
3. any one director or officer of the Corporation is authorized and directed, on behalf of the Corporation, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under corporate seal of the Corporation or otherwise) that may be necessary or desirable to give effect to this ordinary resolution.”

In order to be effective the foregoing resolution must be approved by a simple majority of the votes cast at the Meeting by Shareholders voting in person or by proxy.

Unless otherwise directed, the Management Designees, if named as proxyholders, intend to vote IN FAVOUR of the resolution approving the Stock Option Plan for the ensuing year.

OTHER MATTERS

Management of the Corporation knows of no amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting. However, if any other matter properly comes before the Meeting, the Instrument of Proxy furnished by the Corporation will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

Compensation Objectives and Process

The Board is responsible for reviewing and setting executive and director compensation. The Board, in arriving at its compensation decisions, considers the long term interest of the Corporation and its stakeholders, and its historical and current stage of development.

During the year, Management applied for the reactivation and graduation of the Corporation to the TSX Venture Exchange as a Tier 2 mining issuer (“Reactivation”) based on the acquisition of the right to earn up to an undivided eighty (80%) interest in 267 quartz mining claims, located in the Whitehorse Mining District, Yukon Territory owned by Strategic Metals Ltd. On February 2, 2021, the Corporation obtained final acceptance of the Reactivation from the TSX Venture Exchange.

The Corporation continues to review opportunities to acquire or participate in additional assets or businesses, and the Board has decided that for the foreseeable future, no compensation will be provided to the Corporation’s directors or officers, other than by way of stock options issued pursuant to the Stock Option Plan. The objective and purpose of any stock option reward is to encourage the Corporation’s officers and directors to find an Acquisition that is in the best interests of the Corporation and the shareholders. However, in the future, the Board may decide that, prior to completing an Acquisition, the Corporation should pay compensation to its directors or executive officers other than solely by way of stock options.

No compensation whatsoever was paid or granted to the directors and officers of the Corporation during the most recently completed financial year.

Risks of Compensation Policies and Practices

The Corporation’s compensation program is designed to provide executive officers incentives for the achievement of near-term and long-term objectives, without motivating them to take unnecessary risk. As part of its review and discussion of executive compensation, the Board noted the following facts that discourage the Corporation’s executives from taking unnecessary or excessive risk:

- the Corporation’s operating strategy and related compensation philosophy; and
- the Corporation’s approach to performance evaluation and compensation provides greater rewards to an executive officer achieving both near-term and long-term agreed upon objectives.

Based on this review, and given that no compensation whatsoever was paid or granted to the directors and officers of the Corporation during the most recently completed financial year, the Board believes that the Corporation’s total executive compensation program does not encourage executive officers to take unnecessary or excessive risk.

Role of Executive Officers in Compensation Decisions

With respect to the grant of Options, the Chief Executive Officer recommends to the Board the individual equity incentive awards for each executive officer and director. The Board then takes these recommendations into consideration when making final decisions on compensation for those executive officers. The Board does not use formulas for each grant, but is restricted by the policies of the Exchange and the Stock Option Plan in how many Options it may grant. Options under the Stock Option Plan are awarded based upon the level of responsibility and contribution of the individuals towards the Corporation’s goals and objectives. See “*Incentive Plan Awards – The Stock Option Plan*” below, for a detailed description of the Stock Option Plan. Previous grants of Options to a particular individual will be taken into account when considering future grants of Options to that particular individual. At this time, none of the directors or executive officers of the Corporation have been awarded any Options.

Financial Instruments

The Corporation has not implemented any policies which restrict its executive officers and directors from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the executive officer or director.

Elements of Compensation

The executive compensation program is comprised of three principal components: base salaries, a bonus plan and a stock option plan which are designed to provide a combination of cash and equity-based compensation to effectively retain and motivate the executive officers to achieve the corporate goals and objectives.

Base Salaries

With the Reactivation completed, it was decided that until such time as additional investment opportunities are identified and additional transactions completed, it was in the best interest of the Corporation not to pay any salaries.

Historically, executive officers were paid a base salary to compensate them for providing the leadership and specific skills needed to fulfill their responsibilities. The payment of base salaries is an important component of the Corporation's compensation program and serves to attract and retain qualified individuals. The base salaries for the executive officers are reviewed annually by the Board and are determined by considering the contributions made by the executive officers, how their compensation levels related to compensation packages that would be achievable by such officers from other opportunities and publicly available salary data. Salaries of the executive officers are not determined based on benchmarks or a specific formula.

Bonus Plan

The Board approves bonus payments to reward executive officers for their contribution to the achievement of annual corporate goals and objectives. Bonuses also serve as a retention incentive for executive officers so that they remain in the employ of the Corporation. The payment of bonuses is consistent with the overall objective of the Corporation to reward performance. Bonuses were not awarded for 2020.

Compensation Governance

The policies and practices adopted by the Board to determine the compensation of the Corporation's executive officers and directors is described under "*Compensation of Executive Officers and Directors – Compensation Discussion and Analysis*".

The Board has determined that due to the size and stage of development of the Corporation, all compensation matters would be reviewed by the Board and the Board has the authority to retain independent advisors as it may deem necessary or appropriate to allow it to discharge its responsibilities.

The Board reviews succession plans for key management positions within the Corporation, human resources policies and plans and the performance and development of the Chief Executive Officer. The Board reviews and recommends the compensation philosophy, guidelines and plans for the Corporation's employees and executives. In consultation with the Chief Executive Officer, the Board also approves the Corporation's compensation plans, including stock options, incentives, bonuses and benefit plans, for the executive team including the Chief Executive Officer.

Pension Disclosure

The Corporation currently has no defined benefit, defined contribution, pension, retirement, deferred compensation or actuarial plans for its Named Executive Officers (as defined below) or directors of the Corporation.

Incentive Plan Awards

The Stock Option Plan

The Corporation established the Stock Option Plan for its directors, officers, employees, and consultants, a copy of which is attached hereto as Schedule "A." The number of authorized but unissued Common Shares that may be subject to options granted to optionees under the Stock Option Plan shall not exceed 10% of the Common Shares issued and outstanding at the date of grant. Rolling 10% stock option plans such as the Stock Option Plan require annual shareholder approval.

The purpose of the Stock Option Plan is to provide directors, officers, employees and consultants of the Corporation with an opportunity to purchase Common Shares and benefit from the appreciation thereof. This proprietary interest in the Corporation provides an incentive to contribute to the future success and prosperity of the Corporation, thus enhancing the value of the Common Shares for the benefit of all Shareholders and increasing the ability of the Corporation to attract and retain persons of experience by aligning the interests of executives and employees with the growth and profitability of the Corporation. The longer-term focus of the Stock Option Plan complements and balances the short-term elements of the compensation program of the Corporation.

The Stock Option Plan is administered by the Board and all decisions and interpretations of the Board respecting the Stock Option Plan or stock options granted thereunder shall be conclusive and binding on the Corporation and on the optionees. The Board may, at any time and from time to time, grant options under the Stock Option Plan on terms and conditions to be determined by the Board from time to time, subject to the conditions contained in the Stock Option Plan and subject to the policies of the Exchange.

The exercise price of the stock options shall be fixed by the Board at the date of grant, provided that such price shall not be less than that permitted by any stock exchange upon which the Common Shares are then listed and posted for trading. The maximum for which stock options may be exercisable is five years, but such term may be shortened by the Board in any stock option agreement, and all stock options will be subject to early termination in accordance with the provisions of the Plan relating to the cessation of the optionee as a director, officer, employee or consultant, either due to termination of employment or due to death or permanent disability. The aggregate number of Common Shares reserved for issuance pursuant to stock options granted to any one individual in any 12 month period may not exceed five percent of the issued and outstanding Common Shares at the date of grant. The aggregate number of Common Shares reserved for issuance pursuant to stock options granted to any one consultant or granted to employees conducting investor relations activities in any 12 month period may not exceed two percent of the issued and outstanding Common Shares at the date of grant. In addition, the issuance to any one insider and such insider's associates pursuant to the Stock Option Plan and other share compensation arrangements within a 12 month period may not exceed five percent of the outstanding Common Shares at the date of grant.

During the year ended December 31, 2019, the Corporation did not grant any options under the Stock Option Plan pursuant to which Common Shares are issuable; and (ii) there remains for issuance 996,196 Common Shares under the Stock Option Plan, representing 10% of the currently outstanding Common Shares.

Option-Based Awards

The process that the Corporation uses to grant option-based awards to executive officers, including the Named Executive Officers, is for the Board to approve option grants based on recommendations made by the Chief Executive Officer from time to time. Option awards are determined based on the factors described above under the heading "Stock Option Plan".

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

The Corporation is not aware of any material transaction involving any informed person of the Corporation, any proposed director of the Corporation, or any associate or affiliate of any of informed person or proposed director other than as set forth in this Circular/

There are potential conflicts of interest to which the directors and officers of the Corporation may be subject in connection with the operations of the Corporation. Some of the directors and officers of the Corporation are engaged and will continue to be engaged in other business opportunities on their own behalf and on behalf of other corporations, and situations may arise where such directors and officers will be in competition with the Corporation. Individuals concerned shall be governed in any conflicts or potential conflicts by applicable law and internal policies of the Corporation.

Pursuant to the Corporate Services Agreement, Earlston Management is reimbursed for all reasonable expenses incurred in the performance of its services.

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), sets out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation’s required annual disclosure of its corporate governance practices in accordance with Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)*.

In establishing its corporate governance practices, the Board has been guided by applicable Canadian securities legislation and the guidelines of the TSX-V for effective corporate governance, including National Policy 58-201 – *Corporate Governance Guidelines*. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interests of its Shareholders, but that it also promotes effective decision making at the Board level.

Board of Directors

The Board is currently composed of five members of which Brian E. Bayley, Timothy Collins and Michael Thackray are considered independent as such term is defined by National Instrument 52-110 Audit Committees (“**NI 52-110**”). Ted J. Fostey, President and Chief Executive Officer, is not independent as he was an executive officer of the Corporation until November 20, 2020 and Richard A. Graham is not independent as he is an executive officer of the Corporation. The Board approves all significant decisions that affect the Corporation before they are implemented and the Board supervises their implementation and reviews the results.

The Board is actively involved in the Corporation’s strategic planning process. The Board discusses and reviews all materials relating to strategic and operating plans with management. The Board is responsible for reviewing and approving strategic and operating plans and budgets. Orientation and Continuing Education of Board Members

The Corporation does not currently have any formal orientation and education programs for new directors as the changes in Board membership have been limited. The Board briefs all new directors on the corporate policies of the Corporation and other relevant corporate and business information. Board members are encouraged to communicate with management, auditors and technical consultants, to keep themselves current with industry trends and developments and changes in legislation with management's assistance and to attend related industry seminars. If there is a change in the number of directors required by the Corporation, this policy will be reviewed. Board members have full access to the Corporation's records.

Ethical Business Conduct

The Board consults regularly with legal, accounting and auditing advisors to ensure compliance with all applicable legal, accounting and other applicable regulatory requirements. The Board has an Audit Committee Charter regarding the collection and dissemination of accounting information, and a Whistleblower Policy with respect to reporting accounting and auditing irregularities. The Board believes that the Corporation has in place corporate governance practices that are both effective and appropriate to the Corporation's size and its business operations. Because of its size and composition, the Board does not find it necessary to appoint many committees or to have in place many formal processes in order to ensure effective corporate governance. For these reasons the Board has not adopted a formal Code of Conduct.

Nomination of Directors

The Board as a whole remains responsible for nominating new members of the Board and assessing members of the Board on an on-going basis. If it becomes necessary, a nomination committee will be created which in turn will develop relevant criteria for suitable candidates including the independence of the individual, financial acumen and availability to devote sufficient time to the duties of the Board. The Board encourages all directors to participate in considering the need for and in identifying and recruiting new candidates for the Board.

Compensation of Directors and Officers

The Board has the responsibility to review compensation matters and review appropriate levels of compensation for all of the directors and all officers of the Corporation, including the Chief Executive Officer. To determine compensation payable, the Board reviews compensation paid to directors and Chief Executive Officers of companies of similar size and stage of development and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation. In setting the compensation, the independent Directors review the performance of the Chief Executive Officer in light of the Corporation's objectives and consider other factors that may have impacted the success of the Corporation in achieving its objectives. See the discussions under the headings "*Compensation of Executive Officers and Directors – Compensation Discussion and Analysis*", "*– Compensation Governance*" and "*Director and Named Executive Officer Compensation, Excluding Compensation Securities*", which sections are incorporated by reference herein

Other Board Committees

Other than the Audit Committee, the Board does not have any other committees. For further information regarding the Audit Committee, see the description under the heading “*Audit Committee Disclosure*”.

Assessments

To date, given the small size of the Board, the Board has not found it necessary to institute any formal process in order to satisfy itself that the Board, its committees and its individual directors are performing effectively.

3. Terms of Option The Board shall determine and specify in its resolution the number of Shares that should be placed under option to each such Employee, Consultant, Officer or Director, the price per Share to be paid for such Shares upon the exercise of each such option, and the period during which such option may be exercised.
4. Written Agreement Every option granted under this Plan shall be evidenced by a written agreement between the Company and the optionee and where not expressly set out in the agreement the provisions of such agreement shall conform to and be governed by this Plan.
